Honorable Percy Sipperton
Assistant Director
Bureau of the Budget
Washington 25, D. C.

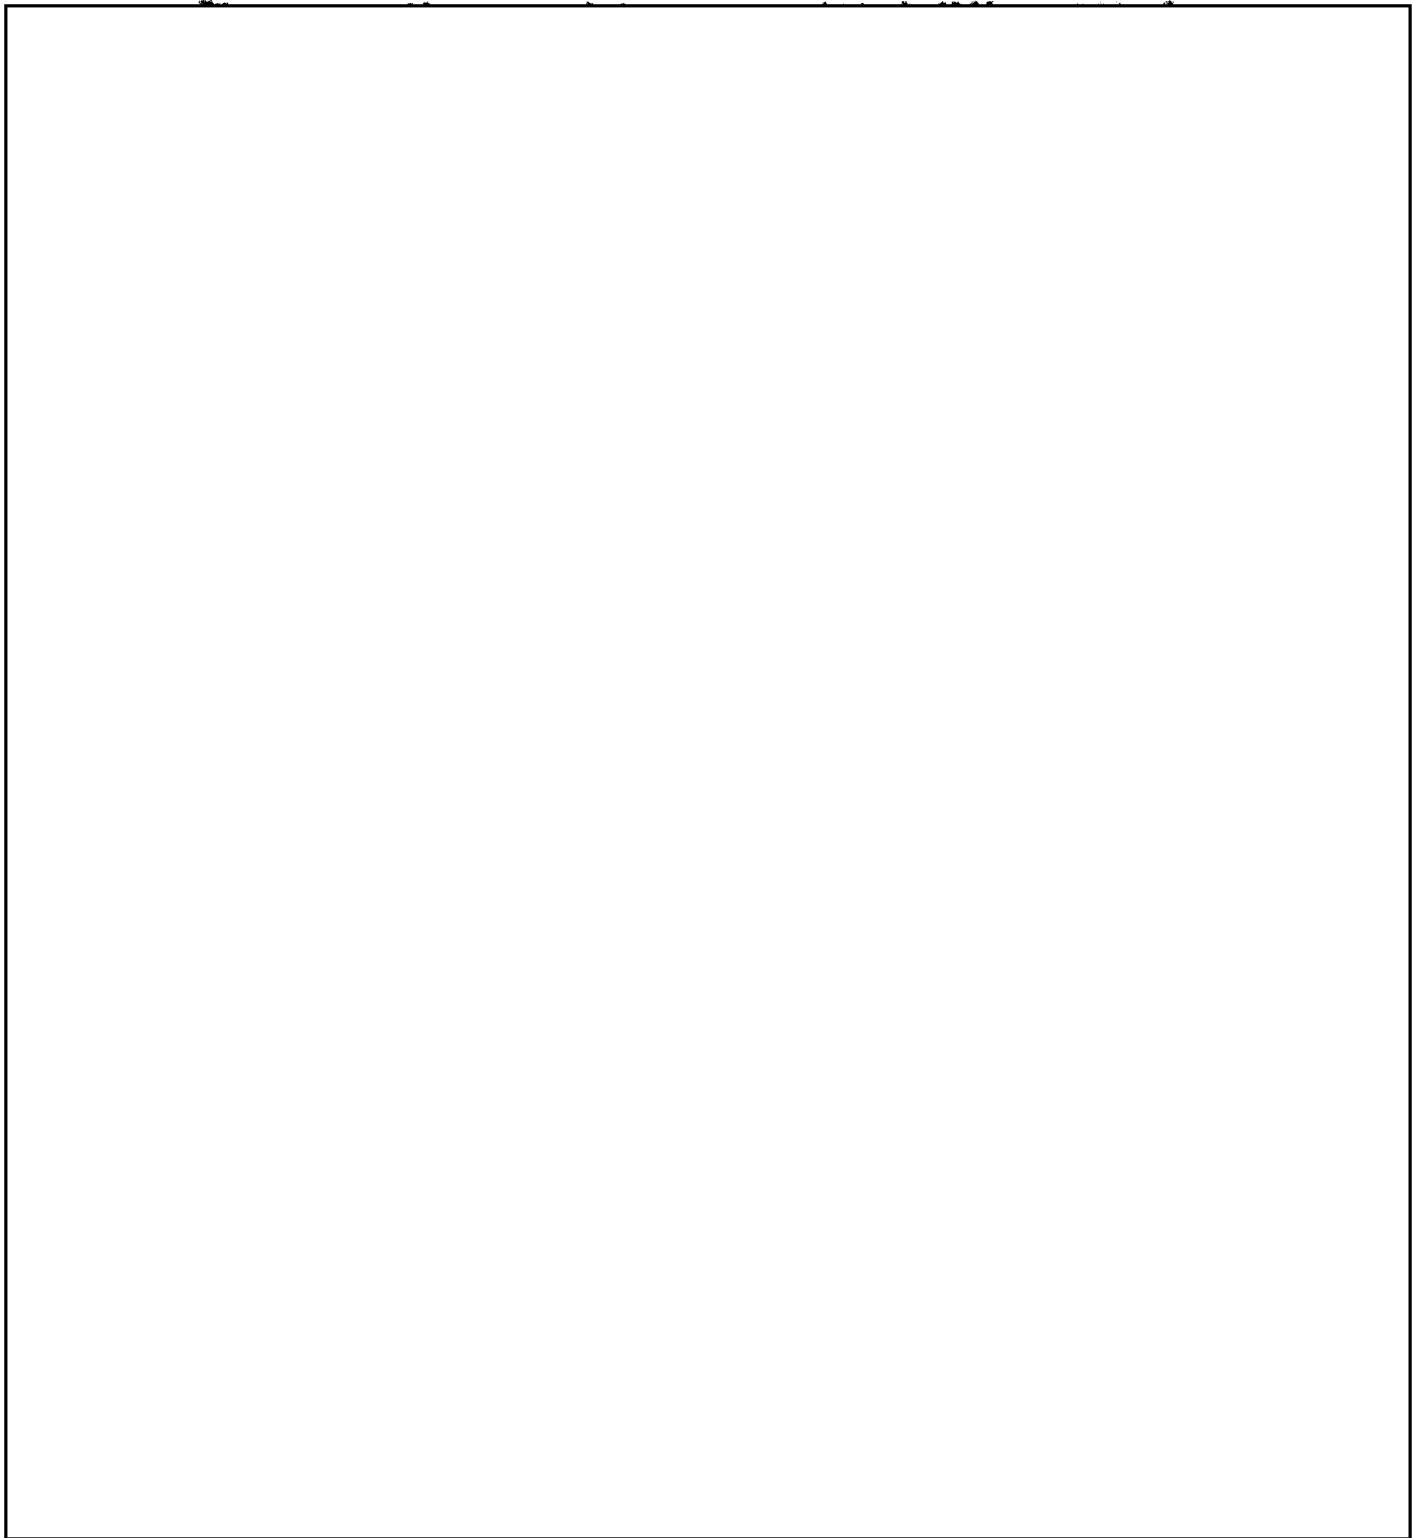

Re: **Design and Construction of**
Central Intelligence Agency
Headquarters

Dear Mr. Sipperton:

As you know, a difference of opinion exists between the Administration and the Central Intelligence Agency as to which agency has responsibility for the design and construction of the CIA headquarters building authorized by Section 106, Title IV, Public Law 161, 88th Congress, signed July 16, 1963. **ILLEGIB**
